The certification program is based on the Cradle to Cradle Design™ Framework and methodology, which has been developed and implemented by MBDC over the past two decades. MBDC created the certification program in 2005 to recognize achievement in applying Cradle to Cradle Design. In 2010, MBDC donated an exclusive license for the certification program and methodology to the Cradle to Cradle ...

## **Cradle to Cradle Products Innovation ... - William McDonough**

William McDonough: Cradle-to-cradle is the creation and qualification of a circular economy. It's a way of designing and producing that honours all future generations by designing and manufacturing for next use, instead of end of life. So rather than cradle-to-grave, which is a take, make, waste system.
