Parents Guide - IMDb

The Parents Guide items below may give away important plot points. Violence & Gore. ... The final fight between Iron Man vs Captain America and Bucky Barnes is very intense and to some people is very sad. Edit . A video is shown of how Tony Stark's parents are killed.

Parents Guide - IMDb

It is an all around good film about American pride and values. Parents need to be cautioned that the entire film revolves around World War II and is portrayed more like a war movie than a comic book, but then again, that is what Captain America it is all about. Captain America is ruggedly handsome and he does get the girl in the end. This family movie review found that the film does have some harsh language, about where Captain America will escort his enemies, áóístraight toáó blank.

He is picked to be the recipient of a super-serum that can transform him into the peak of human capability.

Captain America: The First Avenger | Is This Movie Suitable

What parents need to know Parents need to know that Captain America: The First Avenger is a 1940s-set comic book-based superhero adventure that's full of explosive action violence. Expect tons of gun battles, fireballs, and fistfights (all of which are even more in-your-face in the 3-D version of the movie), as well as a scary-looking villain.

Captain America: The First Avenger Movie Review

Parents need to know that Captain America: The Winter Soldier-- the second Captain America movie in the Avengers franchise -- is more violent than Cap's first outing. While it focuses more on character and on the themes of military paranoia, it still features heavy fantasy fighting, with shooting, punching, and wince-inducing hand-to-hand combat, as well as some blood and death.

Captain America: The Winter Soldier Movie Review

Steve Rogers was born July 4, 1922, to poor Irish immigrant parents, Sarah and Joseph Rogers. Rogers grew up a frail youth during the Great Depression in New York City, New York, America.
