series of natural disasters recently rocked the northern hemisphere, and species across the globe are going extinct. What Allie doesn't know is that her world's decline is a result of an ancient battle called the Night War - the Norse goddess Nott's crusade to control the weakest of the light realms.

Read Free Defender Night War Saga Book 2

This is the second book in the Night War Saga. I found this book we learnt more about not only the main characters but also the supporting characters (though I really don't want to refer to them as supporting because they are pivotal to the story. There is lots of action and adventure and moments that pull on the heart strings.
