"Don't Know Much  
About the Bible"  
presents a study which  
explains the Bible from  
an unbiased, historic  
and modern point of  
view. It respectfully  
explains Jewish,  
Christian and Muslim  
teachings along side of  
each other, which I find  
interesting. flag 5 likes

These myths and misconceptions about what is in the Bible led me to write Don't Know Much About® the Bible. In American history, the Bible was cited to both justify slavery and call for its abolition. For centuries, slavers pointed to a passage in the book of Genesis to justify the cruel, murderous enslavement of millions of Africans.
