### Fate and Destiny, The Two Agreements of the Soul by ...

Fate is that which you cannot change. Destiny is that which you're meant to do. While fate is what happens when you don't take responsibility for your life, destiny is what happens when you commit to growing, learning, and taking chances. Being "destined for greatness" only comes through active and conscious decisions. But fate is what happens when you let other people and external circumstance dictate your life.
