To honour the late Allen Abraham Ambalavanar, a Gold Medal award has been established in Physics with the funds donated by the descendants of Allen Abraham. It is worth to note that, this is the first Gold Medal award established in the 45 years' history of the Department of Physics. This Gold Medal will be awarded each year to the top ranking student in the Physics advanced course units (Levels 3M & 4M of the third and fourth years respectively) of the special degree programme.
