Insulated Gate Bipolar Transistor (IGBT) inverter system for the highest available reliability. Hill Start allows the operator to start on a grade without roll back.

860E-1K - Electric Mining Trucks | Komatsu America Corp

The 960E series is currently the largest off-road mining vehicle produced by Komatsu and despite its size, power output and payload capability, is outstandingly fuel efficient. Komatsu's long road to Husab began around five years ago, when the mine's project team conducted a global survey of heavy duty mining equipment to identify which suppliers and products would be best suited to the operation's needs.
