### The Game Is Playing Your

The Game is a mental game where the objective is to avoid thinking about The Game itself. Thinking about The Game constitutes a loss, which must be announced each time it occurs. It is impossible to win most versions of The Game. Depending on the variation of The Game, the whole world, or all those aware of the game, are playing it all the time.

### The Game (mind game) - Wikipedia

Before we dive into specifics, the most important lesson is to understand what constitutes “game-playing.” At root, game-playing is about saying one thing but doing another. People who play games “talk,” but their “walk” simply doesn’t match. In essence, they can’t really be trusted because their words are often just that: words.
