The Less You Know, the Better is the fourth studio album by American hip hop producer DJ Shadow, released on September 30, 2011 by Island Records. As with his previous efforts, it relies extensively on samples, which span different genres and time periods. The album sees Shadow exploring many genres and production styles, from fast-paced tracks prominently featuring guitars and scratching to slow tracks featuring pianos. Contributions came from a wide range of artists, including Talib Kweli, Afr

This is where the phrase, "The more you learn the less you know" is applied. The best, and only way to truly understand this phrase, is if you first decide that you want an education, not for the sole purpose getting a job, but for the purpose of improving yourself as a person. Nowadays people are too focused on what grade they got on that test or in that class.

The most important thing I think this fickle and elusive concept of "the real world" has taught me is that the more you know, the less you know. As we spend more time in "the real world" we become accustomed to going through the motions; settling into our routines in order to feel like we are coming out on top.
