From
grocery store, dates rank amongst the least popular of the bunch. They don't have the cute California Raisin character to make them likable, nor do they have a catchy name like Craisins. What they do have is a mildly bad reputation for being just as common -- and unwelcome -- as fruit cake at Christmas time.

Where Does My Food Come From

The fruits and vegetables themselves came from the wild plants that grow in widely scattered areas around the globe. Some of their distant cousins we find in our lawns, and are trying to eradicate as weeds. Most of our blueberries are descended from wild “swamp blueberries” that are native to the Pine Barrens of New Jersey.
