We encourage students to read and think about the problems carefully, by: providing a number of mixed word problem worksheets

4th grade word problem worksheets - printable | K5 Learning

4th grade word problem worksheets series is very poorly designed. For every page, the first problem is good but it has an example solution. The rest of the problems have almost exactly the same pattern (with different numbers), thus kids do not even need to read the question carefully, but just follow the pattern and fill in different numbers.

Word Problems (Kumon Math Workbooks Grade 3): Kumon ...

The Kumon method has been used successfully with children around the world for over 50 years. It does seem like it would help a child to take charge of his own learning and help himself to understanding rather than being spoon-fed each bite. For Kumon math earlier than Grade 1, see the Kumon section in Early Learning.
